SECTION II: OBJECT OF THE DESIGN CONTEST

II.1) PROJECT DESCRIPTION

II.1.1) Title attributed to the design contest by the contracting authority/entity *

Urban space. Stream and Culture - Urban space project

II.1.2) Description

The Municipality of Holstebro in cooperation with the Realdania Foundation has launched an urban space project that will form the basis of the flow of the Stora Stream through the town of Holstebro at the renovated Music Theatre and the newly constructed Dance Theatre.

The purpose of the project is to utilise the natural potential of the Stora Stream to create new, attractive urban spaces, while transforming the space of the stream from background to active forefront.

The goal is to lay out new urban spaces that will provide an optimal setting for urban life and for the performance of theatre, music and dance. Both architectural and design/lighting elements form part of the project.

The total construction budget for the project including VAT and all costs is expected to amount to a maximum of approx. DKK 48,000,000.
